## Key and Chest Location Guide

By *BillyCakes*

---

*Updated to Version 1.0112*

---

- In this guide, you will find the locations for each chest key and chest (if available) for their corresponding booty calls (BCs):
  - Play the story to ensure you have access to them.
  - If you're stuck, use the walkthrough on Discord, or ask the Soul Crystal.
- Remember, some women have different tastes to what your house looks like: ensure you buy home upgrades at Squalmart to get them upstairs!
  - It will get pricey so make sure you farm talismans (with a boost) or fish.
- All women also have a secondary outfit for Booty Calls that you can buy at Squalmart.
- The number beside the Booty Call name corresponds to the order in which they are available during the game (ex, Alia page 1 = 1, Naomi page 1 = 2).
- There is a bonus section at the end with all *torch & broken key locations*.
