Girls have these stats:

- *Affection (increases by doing different events at home)*
- *Corruption (increases by having certain amount of affection during a certain event)*
- *Obedience (increases by having certain choices, in this version you can increase only Elisa's obedience)*

After that you need to teleport back by touching the globe, but you need mana from an egg which you can find from one of the rooms(Now mana reserves reset every day) . Location 'library' is now open.
- Choice after a scene with Diana and Matilda
  - Go in boxers (*Bad ending*)
  - Go naked (*Diana corruption point*)

## 0.2 Update

### **Main Story:**

#### **Ashandra:**

- Wait a few days for the story to continue(if you're using an old save, you may need to talk to Ashandra in the library again)
- Meeting with Ashandra, you can look through her flat(you may find something interesting or not interesting)
- After the 'test' you have a problem and you have a choice:
  - *Do what she wants(Opens femdom route with her)*
  - *That's her fault, she's gonna fix it*

- Doctor comes and you get an interesting scene. Enjoy! After the scene you'll have 5 more stamina.

### **Auction:**

- Click on your bed to start the auction. Not much for choices or different dialogues here, the different dialogue might come up if you don't have a lot of money, and there's also a choice if you want someone to suffer(or enjoy, I guess) or not

### **Pocket:**

- Go to the pocket and in the ritual room click on the circle to start the ritual. Now the game begins.
- After what happened you can ask your new friend something but nothing exciting here(yet). And now the new location is opened 'Antenatal clinic' where the doctor works. You can visit it now or a little bit later when you'll need it.

## **Elisa:**

- To start the new chapter of Elisa's story, if you have 100 affection, then help with her homework at 16 and ask her for coffee in bed and then sleep to get the new scene in your bedroom when she asks you to help her and you have a choice:
  - *You have me*
    - *Visit the antenatal clinic(all details below) to get ready for the report and then at 16:00 help her with the report.*
  - *You have me and Felix(available only if she has 2 depravity or more)*
    - *Talk to Felix at his office at 19 or 21, then visit the antenatal clinic(all details below) to get ready for the report and then at 16:00 help Elisa with the report.*
- After both of options you get a new scene if you ask for coffee in bed after helping her with chemistry. And the scene progresses the more you do it.

- Also you can buy her new clothes at the shop and gift her at 22:00 in her room

### **Antenatal clinic:**

- In the clinic you get a scene with Victoria and her assistant. Enjoy!
- After the scene you can visit her for different things:
  - *Donate sperm (for 100\$)*
  - *Buy girls' medical cards(500\$ each), they can be displayed in their profiles on the top right*

### **Diana:**

- When you have 50 affection, help her at the kitchen in the morning, you'll start working out together at the living room at 14-15. She has nothing to wear so you can buy her new sportswear in the shop. You can gift it to her when she's in the room in the evening.
- If you have 100 affection and you've done 4 workouts with her you get a scene in the morning with her and Felix. The dialogue might be different, depending on your previous choices. So now you'll go to the onsen.

### **Onsen:**

- Go to the onsen and you have choices whether you want it to be more private or open to the public:
  - *Public bath*
  - *Private bath(Drinking sake or not doesn't affect the scene but it will affect the story later)*  
Also, if you have more stamina, you get a bonus!
- Now you can shower with her after a workout.

Also, now with your boosted stamina you can access more new scenes with a hooker. Better buy a **condom** in the pharmacy ;)

Added in the 0.3 Update: Internal view for hooker scene and auction scene

# 0.3 Update

## Amelia:

- When you have 100 affection, watch TV with her at 10:00 to start the cinema scene. You have different choices during the scene:
  - Split the bill
  - Forcibly pay for her (+1 Depravity)
  
  - Calm her down
  - Rein her in (+1 Depravity)
- When you have 150 affection, massage Amelia in her office when she asks you to teach her to massage. During this time Felix comes into the room. MC wants to invite Felix with them to the spa. You can:
  - Don't invite him
  - **Invite him**

Either way, you go to the spa in the city and enjoy the scene! Also, make sure, your stamina is to the max, so you get that bonus scene. A little secret: in the options in fetishes you can turn on/turn off the option whether you want to see the squirt or not.

- After you're back from the spa, you can now massage Amelia on the massage table and for that you need... a table. You can buy a table in the furniture shop(in the mall, 200\$) and also clothes for her to wear in the clothes shop (in the mall, 150\$). Without the clothes you won't be able to massage her at the table, so make sure to buy both. You can gift her the outfit when she's in her room. There is an option whether you massage her or she massages you. After 5 massages by her if you click to touch her boobs, she will remove her bra.

## **Diana:**

- You can now get a handjob from Diana in the morning. Come to her in the kitchen and feel her ass to start the first scene. Conversations are a little bit different if you're on the different routes. Now you can get the handjob every morning. You can cum on her face(don't do that) or on her boobs. After you came 5 times on her boobs, she will take her bra off.

### **ONLY ON THE NTR ROUTE:**

- When you have 200 affection, you can work at the bakery and then you'll get a visit from Gordon and Way. Diana sees that and wants to confess so you go after her to church. After the scene, talk to Diana in the morning. Then, work at the bakery again to call Way to the bakery. You come up with a plan. Now, Diana can 'work' in the bakery when you work for Dottie in the morning.

Also, you can check out new shower animations if you do wash each other in the shower a lot.

Other scenes:

- In the clinic, Victoria will be tired of sucking dick while donating the sperm so now you can fuck her or her assistant with the condom.(If you don't have it, Victoria will offer you one, but next time, better bring some, you can buy them in the pharmacy in the mall)
