About this walkthrough

This guide has been written to be as spoiler-free as possible, but even so, there might be some story spoilers. Read it at your own risk.

This is the complete official guide written by Oppai-Man.

Intending to avoid spoilers, some sections of the game were deliberately omitted due to not having any choices to be made.

If you find any typos, inconsistencies, or something else you suspect needs correction, please report to me on my Discord server.

This walkthrough is intended to help you make the optimal choices and let you know how a girl reacts to them. We recommend that you use the walkthrough after one initial playthrough to find collectibles and unlock lewd scenes.

That said, how you choose to use this walkthrough is entirely up to you.

What you will find here:

- Hints on recommended actions.
- Show how girls react to your actions.
- Warnings about the consequences of your actions.

This walkthrough is a work in progress, until FreshWomen is fully developed.
